## The Leading Information Source of the Institutional Trading Community for Over 40 Years

*Traders Magazine* is the leading information source for the buy and sell sides of institutional trading since 1967; and we continue to evolve in meeting the needs of our powerful and loyal audience with online brand extensions, unique and exclusive editorial coverage and integrated marketing solutions.

**"I use Traders Magazine to watch industry trends, and also to see regulatory changes and how everyone is affected."**

- Director of Trading Ops. Sellside
